

Affirmation of Partnership

Zarephath Christian Church and Love True

Date: 3-30-16

Justice. It's one of those words that awakens in each of us a sense of righteous zeal, driving commitment, even personal identity. Given all that is happening in our world today, there are fundamental atrocities that cut to the heart of what it means to be human. Human trafficking is one of these horrific realities... and its happening *right here in New Jersey!*

Human Trafficking in NJ (as well as around the world) simply needs to stop, and it is going to take all of us to make that happen. No matter who we are or what we do, there is a place for each of us in this effort.

As Zarephath Christian Church develops our own engagement with this issue, our primary partner in this endeavor is Love True. Love True Exists to end sex trafficking through prevention and restoration.

We strongly affirm this mission as a church, and will seek to grow as a church into a primary partner in this effort to raise awareness of the issue of human Trafficking in NJ, and to create a home for rehabilitation for survivors (minors).

Human Trafficking affects all of us-- not only because it is a crime against humanity, but because the God Who has commissioned us to "seek justice" has made injustice everyone's problem (Isaiah 1:17). We invite you to join us as we learn, grow and engage in supporting Love True's efforts to end human trafficking.

For more information and ideas on how you can personally participate, we would invite you to go to the website, Love-True.org for more information, event schedules and further contact. Thank you for taking this time to read this post, and we look forward to what God will do through you and others He is raising up for such a time as this.

Yours in Him
